

LUTHER BURBANK MIDDLE SCHOOL

Arts Tech Community Magnet

Our ATC Magnet is part of a network of STEAM Magnet schools in the Los Angeles Unified School District. Luther Burbank Middle School: Art, Tech, Community Magnet is looking for inquisitive students who are interested in careers in the fields of medicine, science, engineering, and mathematics, art and leadership. Students will be challenged through the following programs:

- College Preparatory Mathematics (CPM)
- MESA (Math Engineering Science Achievement) electives
- Media electives in programming, coding, JavaScript and Alice
- LEGO/VEX Robotics
- STEAM-based coursework, literature, and electives
- Electives in visual and performing arts
- Field trips and guest speakers from programs like JPL, The Society of Women Engineers, and overnight trips like Point Fermin Science by Sea

Our rigorous magnet program is a great option for students and families who are ready to take the next big step in their education! It is important that each applicant has:

1. At least a 2.0 GPA (C's or better in all classes)
2. No U's in cooperation and/or work habits
3. Exceptional conduct, in and out of school
4. Pride for his/her uniform and technology equipment
5. An open and curious mind!

Los estudiantes descubrirán:

- matemáticas de preparación universitaria (CPM),
- MESA electivos
- clases de programación de computadoras y medios
- el club de Robotica de LEGO
- clases con conceptos de STeM (ciencia, tecnología, y matemáticas)

Nuestro programa riguroso magnet STEM es una opción ideal para los estudiantes y las familias que están listos para dar el siguiente gran paso en su educación!
