

What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents and staff of Luther Burbank Middle School jointly review and revise this Compact on an annual basis. Together the Compact will outline how parents, students, and the staff will share responsibility for student achievement, and the means by which the school and parents will build and develop a partnership.

Activities to Build Partnerships

We provide many exciting opportunities to build and strengthen partnerships between the school and its families. Some activities include*:

- Parent Volunteer Program
- Back to School Night
- Student Led Conferences

*Dependent on In-Person Activity Protocols, Otherwise Held Virtually
